

'All Square'

Print Council of Aotearoa New Zealand: exhibition of 300mm x 300mm prints

Venue: Community Arts Napier (CAN)

Dates: 27th October – 16th November 2023

Opening: Friday 27th October 5-7pm (to be confirmed)

This exhibition is open to all members of the PCANZ. There is no set theme.

This exhibition will be held in conjunction with a second selected exhibition which will be organised by Mark Graver and held at Wharepuke later in the year.

The size of works (300 x300mm) is the same for both of these exhibitions so the 'All Square' open, unselected exhibition is a great opportunity to experiment and create works you might also like to submit for the upcoming Wharepuke event.

Information for the exhibition at Wharepuke will be sent out soon.

Criteria:

Size: 300 x 300mm. Your image can be any size within the 300mm x 300mm Paper.

Paper: Paper choice is optional but must be good quality and suitable to hang unframed with magnets.

Number of Prints to submit: 1-2.

Note: Only one work per member will be exhibited. You may however send two works from an edition. Yes it can be a variable edition. The second print will be used as a replacement if the first is sold. This is optional.

Techniques: Any printmaking techniques may be used but no photographic reproductions

Retail price: Please add 30% onto your artist price to get your retail price.

Remember that this is not quite as straightforward as it seems. The gallery suggests:

A rough way to work out what to charge retail is to multiply the price you want e.g. \$100, by 1.45 which gives \$145 retail price.

Hanging: Works will be hung unframed, using magnets provided by the PCANZ.

Entry procedure: Colophon and one photograph to be submitted on the All Square page of PCANZ website: <https://www.printcouncil.nz/all-square-exhibition-2023>

Entry fee: \$20 to be paid into the PCANZ account 03 0791 0387378 00.
Please include your name. Reference: Allsquare

Submission deadline: The last date for acceptance for the exhibition will be 14th October 2023. Works may be sent at any time prior to that date.

Address for works to be sent: Lynne Wilburn, PO Box 12098, Ahuriri 4144, Napier

Return of works: Please include a postage paid, addressed envelope for your work to be returned if it is not sold. Your work will be sent back in the same packaging that it was originally sent in. I have been sending my works out with a waterproof layer – the rain has been incessant here but that is up to you. You can send them in collectively if you wish to save costs. (*Hawkes Bay and Taupo Printmakers are excluded from this as I can return these works through our local networks*).
