

Small Print Exhibition 2024

CALLING ALL PRINT COUNCIL MEMBERS

It's time to get your prints ready for the next 2024/2025 round of Small Print, an unselected exhibition that travels throughout Aotearoa and has done so for 11 years now.

All PCANZ members are now invited to send 4 to 6 prints in the new round.

The exhibition renews each year and the aim is to promote printmaking. It is a great introductory exhibition and a great way of introducing ourselves to galleries. There are at least 10 months of exhibitions each year that travel to different galleries around the motu.

We'd love to increase the number of entries for this round and keep Small Print growing.
